Aims and objectives

1. To provide a person centred approach to the care of our elderly and physically disabled residents, to enable them to live a fulfilling life.

2. To include residents and/or their representatives in regular reviews and updates of their care plans to ensure their care needs and their wishes are being met.

3. To provide and maintain a high standard of care, monitored by rigorous quality assurance programme, including resident & family meetings, questionnaires, regular health, safety & environment checks and regular audits. Our high quality care is evidenced by CQC inspection reports, local authority quality audits, PCT audits and the awarding of a commendation for person centred care.

4. To provide appropriately trained and skilled staff, including registered nurses, to provide specialist care and treatment (in partnership with the GP) for End of Life care (currently working towards Gold Standards for Care Homes – GSFCH accreditation), and following strokes, Parkinsons and other physical diseases.

5. To provided skilled and appropriately trained staff to undertake diagnostic and screening procedures under direction of the General Practitioner e.g. venepuncture

6. To provide nutritious well balanced meals, individualised to specific needs. To assist residents at mealtimes, maintain hydration and to monitor weight and well being.

7. To facilitate and maintain social, community and hobby activities for our residents, by providing a full programme of entertainments and craft sessions; one to one specialised activities; exercise classes; making use of our wheelchair adapted minibus for outings; welcome religious services of all faiths; and by having an open visiting policy for families, friends and pets.

Notes:

1. Regulated activity – If you use a combined statement of purpose, repeat the information for each of the regulated activities for which you are registered. You can do this by copying and pasting the whole regulated activity table.

2. Locations – For each location registered for a particular regulated activity (including your headquarters), please provide a brief description, including whether the services at that location are specifically adapted or suitable for people with particular needs or where you can meet requirements for special facilities or staffing. You can do this by copying and pasting the relevant lines for each location.
You may also give details around ‘listed buildings’, shared occupancy, and special facilities (for example hydrotherapy pools).

3. Overnight beds – If the location provides overnight beds, please state the number.

4. Registered manager(s) – Where the regulated activity is managed by a registered manager(s), please enter his or her full name, contact address (if different from the location address), telephone number and email address. Please state how much time is spent managing the regulated activities where more than one manager is in post for each location. This may be in days or hours. Where the regulated activity has no separate manager but is managed directly by the provider, leave the box empty.

5. Service user band(s) – Tick all the boxes that describe the service user needs or groups of people who use your service.
